

6/9/10 GAB Notes

Kate Crosby, Dennis Loria, Tom Michelman, Eric Hudson and John Murray. Notes taken by Eric Hudson

Meeting begins at 6:20.

1. Discussion of the Green Communities Grant application
2. Discussion of the possibility of a need for succession planning for Chairman.
3. Discussion of key next steps for GAB

How do we use and manage the \$10k that was budgeted for FY 2010?

Oversee, assist implementation of Grants. We have established a Foundation for moving forward.

Influence town management to establish a revolving fund to reinvest % of the savings in energy improvement projects; Energy Savings Fund Administration. - Really a change in the paradigm of town budgeting. System that capture Savings. How to change the paradigm so we can silo money that can be used for energy efficiency?

What tool(s) and processes are best to measure energy and costs savings which will be the foundation of future energy savings investments by the Town?

- a. How do we improve benchmarking for the Town?
- b. How do we improve benchmarking for the Schools?
- c. How do we implement benchmarking for the residential and commercial sector to get an entire community footprint?

Meeting adjourns at 8:10
